- Chavez: Shadowed Lives: Chapter 9, Learning to Live as an “Illegal Alien”, pp. 159-173
  - Psychological impacts of life as an undocumented immigrant
    - “encapsulated within a larger social system”
      - feel like an outsider
      - trapped
      - not free
    - worry and fear
  - Health impacts
    - avoiding medical treatment
    - avoiding even maternity care: Angelina’s son with no birth certificate in the US or Mexico
  - Financial and legal impacts
    - fake documents
    - scamming immigration “lawyers”
- Again: that’s it for this chapter...
